## **JURISDICTION AND VENUE**

3. This action arises under the patent laws of the United States of America, Title 35 of the United States Code. This Court has jurisdiction of this action under 28 U.S.C. §§ 1331 and 1338(a).

4. Upon information and belief, Defendant is doing business and committing infringements in this judicial district and is subject to personal jurisdiction in this judicial district.

5.      Venue is proper in this judicial district pursuant to 28 U.S.C. §§ 1391 and 1400(b).

## **CLAIM FOR PATENT INFRINGEMENT**

6. Plaintiff, Eon-Net, repeats and incorporates herein the entirety of the allegations contained in paragraphs 1 through 5 above.

7. On January 27, 2004, U.S. Patent No. 6,683,697 (hereinafter referred to as “the ‘697 patent”) was duly and legally issued to Millennium, L.P. (“Millennium”) for an invention entitled “Information Processing Methodology.” On October 14, 2004, Millennium assigned the ‘697 patent to Eon-Net. A Certificate of Correction to the ‘697 patent issued on July 26, 2005. A copy of the ‘697 patent and the Certificate of Correction are attached to this Complaint as Exhibit 1.

8. Eon-Net is the owner of all right, title and interest in and to the '697 patent.

9. On July 11, 2006, U.S. Patent No. 7,075,673 (hereinafter referred to as “the ‘673 patent”) was duly and legally issued to Eon-Net for an invention entitled “Information Processing Methodology.” A copy of the ‘673 patent is attached to this Complaint as Exhibit 2.

<sup>10</sup> Eon-Net is the owner of all right, title and interest in and to the '673 patent.

11. On February 27, 2007, U.S. Patent No. 7,184,162 (hereinafter referred to as “the ‘162 patent”) was duly and legally issued to Eon-Net for an invention entitled “Information Processing Methodology.” A copy of the ‘162 patent is attached to this Complaint as Exhibit 3.

<sup>12</sup> Eon-Net is the owner of all right, title and interest in and to the '162 patent.

## **COUNT ONE**

13. Plaintiff, Eon-Net, repeats and incorporates herein the entirety of the allegations contained in paragraphs 1 through 12 above.

14. Yehuda has for a long time past and still is infringing, actively inducing the infringement of and/or contributorily infringing in this judicial district, the '697 patent by, among other things, operating a website at [www.yehuda.com](http://www.yehuda.com) ("the Yehuda Website") pursuant to a claim of the '697 patent, without permission from Eon-Net, in which information entered by a Yehuda customer into a web page displayed on the browser of the customer's computer is extracted according to content instructions and transmitted to an application program operating on Defendant's web server according to customizable transmission format instructions in a manner defined by the claims of the '697 patent. For example, a Yehuda customer seeking to purchase product can enter their first name, last name, zip code and e-mail address into HTML form elements displayed on the web page found at <http://www.yehuda.com/myyehuda.asp> of the Yehuda Website to arrange to have the product selected for purchase shipped to a jeweler for inspection. The foregoing information entered into the HTML document is extracted by the browser and transmitted to an application program running on the Yehuda web server for processing the customer's order in a POST format and using an https protocol required by the application program.

15. Plaintiff, Eon-Net, has been damaged by such infringing activities by the Defendant of the '697 patent and will be irreparably harmed unless such infringing activities are enjoined by this Court.

## COUNT TWO

16. Plaintiff, Eon-Net, repeats and incorporates herein the entirety of the allegations contained in paragraphs 1 through 15 above.

17. Yehuda has for a long time past and still is infringing, actively inducing the infringement of and/or contributorily infringing in this judicial district, the '673 patent by, among other things,

1 operating the Yehuda Website pursuant to a claim of the '673 patent, without permission from Eon-  
2 Net, in which information entered by a customer of Defendant into an electronic document template  
3 displayed on the browser of the customer's computer is extracted according to content instructions  
4 and transmitted to an application program operating on Defendant's web server according to  
5 customizable transmission format instructions in a manner defined by the claims of the '673 patent.  
6 For example, a Yehuda customer seeking to purchase product can enter their first name, last name,  
7 zip code and e-mail address into HTML form elements displayed on the web page found at  
8 <http://www.yehuda.com/myyehuda.asp> of the Yehuda Website to arrange to have the product  
9 selected for purchase shipped to a jeweler for inspection. The foregoing information entered into the  
10 HTML document is extracted by the browser and transmitted to an application program running on  
11 the Yehuda web server for processing the customer's order in a POST format and using an https  
12 protocol required by the application program.

14 18. Plaintiff, Eon-Net, has been damaged by such infringing activities by the Defendant  
15 of the '673 patent and will be irreparably harmed unless such infringing activities are enjoined by  
16 this Court.

17 **COUNT THREE**

18 19. Plaintiff, Eon-Net, repeats and incorporates herein the entirety of the allegations  
20 contained in paragraphs 1 through 18 above.

21 20. Yehuda has for a long time past and still is infringing, actively inducing the infringement of  
22 and/or contributorily infringing in this judicial district, the '162 patent by, among other things,  
23 operating the Yehuda Website pursuant to a claim of the '162 patent, without permission from Eon-  
24 Net, in which information entered by a customer of Defendant into an electronic document template  
25 displayed on the browser of the customer's computer is extracted according to content instructions  
26 and transmitted to an application program operating on Defendant's web server according to  
27 customizable transmission format instructions in a manner defined by the claims of the '162 patent.

For example, a Yehuda customer seeking to purchase product can enter their first name, last name, zip code and e-mail address into HTML form elements displayed on the web page found at <http://www.yehuda.com/myyehuda.asp> of the Yehuda Website to arrange to have the product selected for purchase shipped to a jeweler for inspection. The foregoing information entered into the HTML document is extracted by the browser and transmitted to an application program running on the Yehuda web server for processing the customer's order in a POST format and using an https protocol required by the application program.

21. Plaintiff, Eon-Net, has been damaged by such infringing activities by the Defendant of the ‘162 patent and will be irreparably harmed unless such infringing activities are enjoined by this Court.

## **PRAYER FOR RELIEF**

WHEREFORE, THE Plaintiff, Eon-Net prays for judgment against the Defendant Yehuda on all the counts and for the following relief:
